A word from International Journal of Applied Biology and Pharmaceutical Technology editorial office

Fortune Journals

Editorial office, Fortune Journals, 11355 Richmond Ave #507, Houston, TX 77082, USA

International Journal of Applied Biology and Pharmaceutical Technology (IJABPT) (ISSN: 0976-4550) is committed in making vital contributions in the field of applied biology and pharmaceutical technology by providing world-class peer-reviewed publications. IJABPT collaborated with Fortune Journals in January, 2019 and all the editorial activities will be maintained by Fortune Journals from there onwards. "Fortune Journals" is the one of the top most publisher in Open access field.

Recently, the journal recruited Dr. Jean-Marie Exbrayat as the Editor-in-chief for IJABPT. Dr. Jean-Marie Exbrayat is the Professor in General Biology, Reproduction and Comparative Development, Lyon Catholic University, France. The editors of our journal have long-standing and distinguished careers in their respective fields. The editorial board members and external reviewers of our journal are committed in providing unbiased, rapid evaluations of the submitted manuscripts to shorten the duration between the submission and final publication. Therefore, the authors will certainly have a pleasant and intellectual experience working with our editors and reviewers. For detailed information on the editorial board members of IJABPT please visit <http://www.ijabpt.com/editorial-board.php>. To facilitate faster review process, articles now can be submitted online (<http://www.fortunejournals.org/ojs3/index.php/ijabpt/about/submissions>) and authors will receive a notification at every stage of the review process starting from the submission to the decision-making and finally publishing the manuscript. Complete information about instructions for authors regarding preparation and submission of manuscripts can be obtained from <http://www.ijabpt.com/guidelines.php>. We welcome the authors to submit their papers in our prestigious journal.
